CLUB QUALIFIERS

- Virgin Active Grid Games Club Qualifiers will run for 6 weeks from 4 March 2019 to 14 April 2019 in all Virgin Active Clubs across all territories.
- Grid Games will take part in different parts of the week, bookable through MyLocker
- To enter, all you must do is pre-book your spot through MyLocker or pre-register on the day with one of the fitness staff in your club.
- You can compete as many times as you want in the Grid Games Club Qualifiers challenge during the club qualification period, so you'll have tons of chances to work your way up The Grid Games Leader board.
- Only results officiated by an official Grid coach or Virgin Active Staff member will count towards advancing to the Regionals/ Nationals.
- Grid coach or Virgin Active Staff will be responsible for calculating the entrant's score and submitting it to Virgin Active National Head Office.
- To qualify for the Grid Games Regionals/Nationals, the top female and male at each club with the highest scores by 14 April 2019 will be selected to take part in The Grid Games.

- In the event that there is a tie for first place, the tied competitors will be invited to compete in a qualifying round of the competition at a time nominated by Virgin Active in its sole discretion. The top score from that round will be used to decide the competitor who will continue to the Regional/Country final
- A member can only qualify once. If a member participates at various clubs across the regions and are the top male/female at more than one club they need to choose which club they will represent at the Regionals/Nationals.
- A member who qualifies for the Regionals/Nationals can only attend the Regional qualifiers in the Region/Nationals that the clubs are associated with.
- All Club qualifiers will be notified by 16 April 2019 by telephone or email.

Competition structure - Club Qualifiers

- o The GRID GAMES consist of back to back competitions.
- o Between 2 – 3 members can take part simultaneously in a heat dependent on the club's equipment availability.
- o Each member competing will have one judge that will judge that the correct movement is executed as well as count and calculate their score.
- o Each member's score will be captured on an individual score card.
- o It will be the member's responsibility to ensure that their information is captured correctly on the scorecards.
- o Clubs to keep each scorecard for auditing purposes.
- o Grid Games entrants will need to complete 8 exercises in 4 minutes, officiated by a Grid coach or Virgin Active Staff member. All exercises need to be completed in accordance with instructions given by the Grid Coach prior to commencement of the challenge.
- o The objective: Accumulate as many repetitions/calories as possible within 20 seconds. Rest for 10 seconds. Move onto the next exercise. Repeat.
- o For the Regionals/Nationals and Global Finals a different format will be used and /or different exercises and equipment.
- o Each 8 exercises are based on your primal movements.
 1. Pull – Row (calculated by total calories burned)
 2. Push – Push Ups
 3. Move – Grid Corners
 4. Squat – Box Jumps
 5. Bend – Burpees
 6. Move – Grid Sprints
 7. Lunge – Lunges

- All global Finalists will be notified by 21 May 2019.

Competition structure - Regional/National Qualifiers

- o To mix up the next round for all club finalists (whilst still maintaining GRID principles) each competitor must work their way through 6 movement patterns and two locomotion exercises, culminating in a sprint finish.
- o Most of exercises remain the same.
- o The objective: To complete each exercise with the required repetitions/calories as indicated per station as fast as possible.
- o The competition will consist of back-to-back competitions in heats of three contenders.
- o Contenders will be pre-placed in their respective heats randomly.
- o Contenders' heat numbers, time and lane will be communicated prior to the competition.
- o Each member competing will have one judge that will judge that the correct movement is executed, and repetitions are completed before the contender can continue to the next exercise.
- o No outside assistance from the judges will be allowed in assisting athletes during the exercises.
- o An electronic timing device and/or hand-held device (stopwatch) will be used to time each contender.
- o Contenders will have a maximum of 7minutes to complete the course.
- o In the case of equipment malfunction (rower or timing device), the members whose equipment malfunctioned will receive a minimum of a 10-minute break before they get allocated to a different heat.
- o For the remaining contenders in that heat, they must continue as this is a time-based competition.
- o In the case of an injury, time will not be stopped, and the contender can decide to continue or withdraw.

GLOBAL FINALS

- Virgin Active Grid Games Global Finals will take place in South Africa, Cape Town on 1 June 2019.
- 6 Territories will be competing for the title (SA, UK, AUS, Italy, Singapore and Thailand)
- Venues and start times for the above to be confirmed.
- The protocol for the finals will be released on the 21st of May 2019.
- Please note that Virgin Active is not required to have all the equipment for this protocol available in each club.
- The exercises are designed to test your overall speed, power, strength, agility and endurance, which you can train for in all of our facilities.

Competition structure - Global Finals

- o The Global Finals will follow a knock-out competition table (Heats, Semi-finals and Finals)
- o Contenders will be placed in their respective heats based on the times they achieved at the Regional qualifiers.
- o Each heat will consist of five participants. Ten contenders will qualify for the semi-finals and five for the finals per category.
- o The competition will follow the following format: Heats - Semi Finals - Finals.
- o The first two of each heat will progress automatically through to the semi-finals. The two fastest losers will take up the remaining spots in the semi-finals.
- o The first two of each semi-final heat will progress automatically through to the finals and the fastest loser.
- o There will be 4 male and 4 female heats in the members competition.
- o Each heat will be timed.
- o Each contender will have a designated timekeeper and judge.
- o Our judges have been hand-picked and will be a selection of some of our top Personal Trainers in the region and our National Managers. They are the best of the best and they have been briefed and trained on the test protocols prior to the competition.
- o Our judges will indicate when you have successfully completed an exercise for you to move on to the next exercise.
- o Only results officiated by an official Grid judge or Virgin Active National Manager will count and their decision will be final.
- o The exercises will remain the same throughout the competition.
- o No outside assistance from the judges will be allowed in assisting athletes during the exercises.
- o Contenders will have a maximum of 10 minutes to complete the course.
- o In the case of equipment malfunction (rower or skill mill), the members whose equipment malfunctioned will receive a minimum of a 10-minute break before they get allocated to a different heat.
- o For the remaining contenders in that heat, they must continue as this is a time-based competition.
- o In the case of an injury, time will not be stopped, and the contender can decide to continue or withdraw.
